Rosewood with a superb high gloss finish and gold-plated tuners are the hallmarks of our Deluxe series. The immaculate finish provides an optical impact in keeping with the tonal quality. This is a perfectly coordinated guitar ? the ideal partner for a long term relationship.

This baritone guitar with its 68cm scale, spruce top and rosewood body delivers precisely the required amount of low frequency which places it between a bass and a normal guitar. The J-32 Baritone is a vehicle for realization of new experiences, new ideas and individualistic music. As necessary, the built in L. R. Baggs "Anthem" Pickup System can be drawn on for additional attention.
