You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.

Spruce and myrtle present with pure elegance in both tone and appearance. Every myrtle body is unique, similar to an original painting. This wood combination provides the substance for sophisticated expressive sound in every position. The M-52 is impeccable for finger style music. Its exquisite tone is aptly conveyed by noble appointments. An L. R. Baggs "Anthem" Pickup System is unobtrusively positioned in the sound hole.
